Emerson once said. "That Health is the First Wealth."

The new health subject that Dr. Louis Blumer, Founder of Nature-opathy, deals with, vitally concerns every man, woman and child. He covers the subject of health from a new angle.

Crowds are filling every theatre or hall that he lectures in, and the Community House, 63 Church Street, Norwich, will certainly hold the attention of the entire vicinity, especially considering the fact that nearly Forty Million of Our People are employing some form or other of Nature-

opathic treatment for the relief of their aliments. It therefore, behooves us that we should more thoroughly investigate about this great science which is restoring the afflicted to health.

The Science That the Human Family Has Sought for Ages.

Overwhelming Success. Nature's Forces Are Mightier Than Any Artificial Stimulants.

Every Man, Woman and Child Should Hear These Lectures and See These
